COVID19 Precautions For Summer Camp

Girls Inc. Staff will:

- Wear face masks for everyone's protection
- Comply with daily general health screenings
- Require any employee who test positive to quarantine at home for 2 weeks
- Clean and sanitize the facility daily with ongoing cleaning of frequently touched surfaces throughout the day
- Reduce class size and alternate use of common areas in facility to limit larger group/cross group interactions
- Educate, and frequently remind, your daughter about appropriate social distancing, hand washing, and other healthy habits.
- Isolate any girl who displays symptoms of COVID19 and contact parents to pick them up within 30 minutes. Should the symptoms become severe such as difficulty breathing we will call 911 immediately.

We ask that:

- Parents abide by our ONE WAY flow of traffic and STAY IN YOUR VEHICLE at drop off and pick up. We know there may be a delay based on traffic and we ask everyone to be patient and comply with our directions.
 - Drop off will be from 7:30am-10am.
 - Your child should not exit the vehicle until after the health screening is complete and they are cleared by our employees to do so.
 - Pick up will be from 4:30pm- 5:30pm. Whoever is picking up the child must be listed on the contact card, have a sign with their Girls Inc ID# in the car window, and have a valid photo ID.
 - If you need to drop off or pick up outside of these timeframes please stay in your car and call us. You will NOT be able to come inside the facility.
- Girls comply with general health screenings upon arrival. Temperature will be taken of everyone prior to entering the facility. Those with a temperature of 100.4 or higher will not be allowed to stay. A pre-entry interim programming questionnaire will be completed daily as a part of the health screening.
- Parents must tell us if your daughter has:
 - Tested positive for COVID19 in the past two weeks
 - Been exposed to a positive case of COVID19 in the past two weeks
 - Exhibited any symptoms in the past 24 hours (fever, cough, etc)
 - Traveled outside the area in the last two weeks.
- Girls practice social distancing while at camp.
- Girls comply with frequent requests to wash hands for 20 seconds.
- Parents or designated friend or family will be available at all times to pick up your daughter within 30 minutes should she exhibit any symptoms of COVID19.
- Parents do not send your daughter to camp if she is sick at all with any kind of illness.
- Girls only bring lunch boxes/bagged lunch to camp. No backpacks, no toys, no electronic devices will be allowed.
- If your daughter chooses to wear a face mask she must be able to manage the mask independently. The mask must be washed daily (if reusable) or replaced (if disposable).
